

Titan Commercial helps home health company lease space in Chicago suburbs

Chicago-based [Titan Commercial](#) in August completed a lease for 9,620 square feet in Lombard, Ill. Ben Rosenfield, principal of Titan Commercial, represented the tenant, Health Resource Solutions, in its relocation and helped facilitate the transaction with landlord StoneCreek Properties. Cawley Chicago Commercial represented StoneCreek.

Health Resource Solutions executed a primary term of 10 years.

“With so much vacant space in the market, we wanted to ensure that we found the best deal, location and landlord to work with. Ben Rosenfield was an excellent resource and negotiated an amazing deal on our behalf that surpassed our expectations,” said Glenn Steigbigel, President of Health Resource Solutions.

Health Resource Solutions is a privately owned hi-tech home health company committed to serving healthcare professionals and patients
